

THE VERSATILE, HEAVY DUTY PIPE FABRICATOR STAND.

XXL JACK

RANGE 300

PART NO. KPJH-300

Load Capacity: 2268kg (5000lbs)

Pipe Size: Up to 914mm (36")

Weight: 10.5kg (23lbs)

The versatile Key Plant XXL-Jack is the ideal fabricator stand. The large XXL, 305mm (12"), V-Head and heavy-duty four-legged design offers the welder a maximum margin of safety on pipes up to 900mm (36"). With optional accessories, such as the heavy-duty casters and KP Chain Clamp Device, pipe weighing 2268kg (5000lbs) per XXL-Jack can be wheeled with ease from storage rack to welding bay and onto the shipping dock. This means the load is lifted only once!

The basic Key Plant XXL-Jack safely handles large diameter pipe up to 90 cm (36"). The 1 1/4" V-Head shaft permits the welder to position loads up to 2268kg (5000lbs) with ease.

HEAD STYLE AND OPTIONS

XXL V-HEAD

Part No.	KPJH-301
Load Capacity	2268kg (5000lbs)
Pipe Size	Up to 36"
Weight	13kg (28.6lbs)

CASTER WHEEL KIT

Part No.	KPJH-309
Load Capacity	
Pipe Size	
Weight	13kg (29lbs)

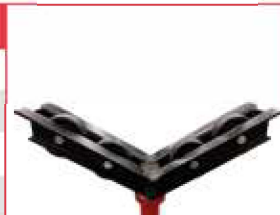

SS SLEEVES

Part No.	KPJH-307
Load Capacity	2268kg (5000lbs)
Pipe Size	Up to 36"
Weight	1kg (2lbs)

NYLON WHEEL KIT

Part No.	KPJH-304
Load Capacity	680kg (1500lbs)
Pipe Size	Up to 36"
Weight	1.8kg (4lbs)

SS WHEEL KIT

Part No.	KPJH-303
Load Capacity	1361kg (3000lbs)
Pipe Size	Up to 36"
Weight	4kg (8lbs)

BALL TRANSFER KIT

Part No.	KPJH-305
Load Capacity	454kg (1000lbs)
Pipe Size	Up to 36"
Weight	2.3kg (5lbs)

STEEL WHEEL KIT

Part No.	KPJH-302
Load Capacity	1361kg (3000lbs)
Pipe Size	Up to 36"
Weight	4kg (8lbs)

SS BALL TRANSFER KIT

Part No.	KPJH-306
Load Capacity	454kg (1000lbs)
Pipe Size	Up to 36"
Weight	2.3kg (5lbs)
